“As an Active Schools Coordinator I am often looking for quality volunteers to help us with various events we organise. The volunteers from Glasgow Sport Volunteering Bureau have been excellent and they have enjoyed the opportunities to encourage young people to be more active.”

“GSVB have been a fantastic support in terms of promoting our event to potential volunteers and linking volunteers to Drumchapel parkrun. We have got a number of volunteers through GSVB in the last year that we otherwise would probably never have crossed paths with - it's great to have access to such a service that is dedicated to matching volunteers with volunteering opportunities in the sporting field.”

**Brian Keenan, Co-Event Director, Drumchapel parkrun**

“We rely on volunteers to help deliver a number of events and can struggle sometimes to get the required numbers. Through contacting the staff at the GSVB, who were happy to help and highly efficient, we easily managed to attract many more good quality volunteers - I can only recommend”

"In the search for a Treasurer and Sighted Helpers for our group we found the support of Glasgow Sport Volunteer Bureau very quick, responsive and very helpful. We asked for assistance setting up our page which was an immense help. Glasgow Sport's Development Officer, was very friendly and approachable. She even met our group to understand our needs and what type of volunteers we required. I would recommend other groups to use this service to help spread the word about their group and access potential volunteers.

“Glasgow Sport has been a great support for volunteer recruitment through both their recruitment events and their website. My colleague recommended I contact them with any opportunities and they have been so helpful, particularly for our bigger events such as Culture Crawl!”
